PROJECTS (ALL AVAILABLE IN GITHUB)

Shopping Card Application
- As a graduation project at BilgeAdam, I developed a shopping card program for e-commerce websites and enabled customers to order from the website.
- Access my project here.

RELATED EXPERIENCE

Yeşil Esenyurt Soccer Club   *Feb 2018 - Jan 2020*
Social Media Coordinator
- I have worked as the social media coordinator of a soccer club, keeping the data in social media accounts up to date. I also shared photos I prepared on certain days and times on the club's social media accounts.

Bilge Adam   *April 2018 - Jan 2020*
Full-time Student
- I successfully completed the .NET course organized by Bilge Adam. I learned c, mvc5, html, css, javascript, uipath.
